## OVERVIEW

I am a college freshman with passions in graphic design and computer programming. I am searching for an internship relevant to my Computer Information Systems degree.

## EDUCATION

### Computer Information Systems Associate of Applied Science *In Progress*

I am currently attending Luzerne County Community College in pursuit of an Associate's degree in Computer Information Systems. I am also working to complete a Computer Programming Certificate Program simultaneously.

I have acquired the following skills thus far:

- Basic proficiency with HTML, CSS, and Adobe Dreamweaver.
- Experience with installing and using Windows, Linux, and Mac.
- Proficiency in Microsoft Word, Powerpoint, Excel and Access.

## PREVIOUS EMPLOYMENT

### Weis Markets Grocery Associate

*October 2024 - Current*

I am currently employed at the Tunkhannock Weis Markets, as a Grocery Associate.

### Tunkhannock Area High School Graphics Department Intern

*August 2023 - June 2024*

As a Graphic Design Intern, I used the Adobe Suite to create designs for prints that the school and other local organizations needed.

My primary responsibilities included:

- Maintaining close contact with clients and ensuring the designs were up to their standards and matched their vision.
- Collaborating with fellow interns to develop and print designs.
- Meeting strict deadlines.
- Presenting prototypes and finished designs to clients.
